Dear Ms. Ambani,

The meeting with you and your husband in Vibrant Gujarat was very nice. We appreciate your initiative called "World Peace 2040" which is dedicated to furthering peace around the Globe.

We need peace in our region particularly Middle East. We need to promote such efforts to attain Peace and harmony worldwide. We support your initiative and look forward to co-operate with you in near future, and I express my readiness to be part of your initiative as well as I will let you know some outstanding dignitaries in our region who I am sure that will show interest in this important Initiative.

With best regards,

Dr. Ahmed Salem Al-Wahishi
Chief Representative of League of Arab States Mission
